

GLIDING WINDOWS

Andersen® 100 Series gliding windows combine many of the advantages of double-hung windows with a more contemporary look and full-perimeter weatherstripping for energy efficiency. Available in multiple configurations, including a single stationary sash with one gliding sash, or a three-sash configuration with two sash gliding past a fixed center sash. Made with our revolutionary Fibrex® composite material, 100 Series products are durable, environmentally smart and energy efficient. Available in deep, rich colors, they are low-maintenance and an exceptional value.

DURABLE

- Virtually maintenance-free
- Rigorously tested to deliver years* of smooth, reliable operation
- Fibrex material construction provides long-lasting* performance
- Durable, low-maintenance finish won't fade, flake, blister or peel*
- Fibrex material is twice as strong as vinyl

ENERGY EFFICIENT

- Weather-resistant construction for greater comfort and energy efficiency
- Weatherstripping is designed to seal out drafts, wind and water
- Variety of Low-E glass options are available to help control heating and cooling costs in any climate
- Many 100 Series casement windows have options that make them ENERGY STAR® v. 6.0 certified throughout the U.S.

BEAUTIFUL

- Clean, attractive corner seams
- Five exterior color options
- Attractive matte finish interiors available in 4 colors
- Add style with grilles or patterned glass

EXTERIOR COLORS

White Sandtone Terratone Dark Bronze Black
