

Curved Specialty Windows

Andersen® A-Series curved specialty windows bring stunning arches to your view and coordinate with all other A-Series products. Plus, they're available with all of our energy-efficient glass options, and their exteriors are virtually maintenance-free.

DURABLE

- Virtually maintenance-free
- Exterior finish never needs painting and won't flake, rot, blister, peel or corrode*
- Exteriors are protected by a Fibrex® material and fiberglass for long-lasting* performance

ENERGY-EFFICIENT

- Weather-resistant construction for greater comfort and energy efficiency
- Variety of High-Performance Low-E4® glass options available to help control heating and cooling costs in any climate
- Many A-Series specialty windows have options that make them ENERGY STAR® v. 6.0 certified throughout the U.S.

BEAUTIFUL

- Eleven exterior color options and a variety of interior options
- Extensive hardware selection, grilles, between-the-glass art glass and patterned glass options

*Visit andersenwindows.com/warranty for details.

*ENERGY STAR® is a registered trademark of the U.S. Environmental Protection Agency.

Wood Species

Interior Finishes & Painted Options

Shown on Pine. Available on Pine, Maple and Oak only.

*Actual wood is sapele, a non-endangered species of mahogany, grown in Africa, with color and characteristics of American mahogonies.

Printing limitations prevent exact duplication of colors and replication of finishes. See your Andersen dealer for actual color and finish samples. Naturally occurring variations in grain, color and texture of wood make each window one of a kind. All wood interiors are unfinished unless a painted interior is specified.
