

Gliding Patio Doors

A sleek, classic door creates an open view to the outside Andersen® E-Series gliding patio doors come in custom colors and infinite interior options for unlimited possibilities and unmatched freedom. Made of wood protected by an aluminum exterior, it's our fully customizable gliding patio door.

DURABLE

- Virtually maintenance-free and exteriors never need painting and won't crack, peel, flake or blister*
- Extruded aluminum exteriors provide greater structural capabilities than thinner, roll-form aluminum

ENERGY-EFFICIENT

- Weather-resistant construction for greater comfort and energy efficiency
- Variety of High-Performance Low-E4® glass options available to help control heating and cooling costs in any climate
- Many E-Series gliding patio doors have options that make them ENERGY STAR® v. 6.0 certified throughout the U.S.

BEAUTIFUL

- 50 exterior colors, seven anodized finishes and custom colors
- Variety of wood species and interior finishes
- Extensive hardware selection, grilles, decorative glass options and more

OPTIONS & ACCESSORIES

- VeriLock® security sensors
- Blinds & shades between the glass

EXTERIOR COLOR OPTIONS

Anodized Finishes

Printing limitations prevent exact duplication of colors and replication of finishes. See your Andersen dealer for actual color and finish samples. Naturally occurring variations in grain, color and texture of wood make each window one of a kind. All wood interiors are unfinished unless a painted interior is specified.
