FOLDING DOORS
Architectural Collection

STATELY WALLS OF LIGHT
Blur the lines between indoors and out with Folding outswing doors, part of the Andersen® Architectural Collection. When closed, they are a stately wall of light and when open, they fold, virtually out of sight. Contemporary and traditional style options make them ideal for nearly any home design.

Painted Options

Available on pine.

Naturally occurring variations in grain, color and texture of wood make each window one of a kind.

*Actual wood species is either Sapele or Sipo, both non-endangered species grown in Africa, with color and characteristics similar to Central American mahoganies. **Anodized silver is available on maple only. †Hardware sold separately. Distressed bronze and oil rubbed bronze are “living” finishes that will change with time and use. Bright brass and satin nickel finishes feature a 10-year limited warranty.
